Course Description

This Planning/Management level course prepares emergency response managers and community leaders to conduct a comprehensive Threat and Risk Assessment for a Weapons of Mass Destruction (WMD)/Terrorism Incident. The course delivery combines lecture, small group discussions, participant activities and multimedia scenarios to improve the emergency team's capability to prevent, react to, or recover from a terrorism incident. At the conclusion of the training, the team is able to:

- *Use the Office for Disaster Preparedness (ODP), Department of Homeland Security (DHS) for WMD Assessment model to enhance decision making, planning and teamwork*
- *Identify and evaluate Potential Threat Elements and WMD in the area*
- *Conduct basic and agricultural vulnerability assessments and identify capabilities to meet needs*
- *Prioritize needs into one of five solution areas – planning, organization, equipment, training and exercises*
